1-LEC (71164) 3.00 Units					Full-Semester
OL		ONLINE		Anita Talone	8/25/25 - 12/20/25
Class Format: Fully Online Campus: Online					
Class Notes: <i>This is an online class.</i> https://www.palomar.edu/atrc/lms-login/ Students are required to download the free student version of AutoCAD software onto their personal PC. AutoCAD software will not run on a MAC device, Tablet, or phone for this class. Lecture and Lab must be taken concurrently. When you enroll in this class, you will also be automatically enrolled in the lab. Enrolled students will access course materials and participate in class activities through Canvas: The alternative to downloading the software is to remotely access the CAD lab by using the VMClient or using campus computer labs. Instructions and details are in the Canvas course. This is a fully online asynchronous class delivered via Canvas. Class Notes:					

This is a partially online class and requires both classroom attendance and use of Email, the Internet, and other means of electronic communication.

All testing for this class will be completed on the Main Campus (San Marcos), in the Math and Science Learning Center (MSLC). Students must present a valid ID to take exams.

This is a self-paced course. The instructor will contact students about the class orientation. Students who fail to attend the orientation may be dropped. Students need to attend 2 hours per week in Mathematics STEM Learning Center. For more information read course handbook at the Math Center website, <http://www2.palomar.edu/mslc>, or on the homepage of Canvas.

Enrolled students will access course materials and participate in class activities through Canvas:

<https://www.palomar.edu/atrc/lms-login/>

In order to meet the learning outcomes of this course, the instructor may require students to have a webcam turned on during assessments (such as quizzes, exams, and presentations). Your instructor will contact you by email no later than the day before your class begins about important class information. Be sure to check your Palomar College student email.

This Math class will require the purchase of an online learning platform such as WebAssign, MyMathLab or similar, available through the Palomar Bookstore. Please contact your instructor if you have questions regarding this required platform.
